

CITY PARK

Our beautiful City Park is located right on Main Street (Hwy 2) on the east end of Cut Bank. Beautifully maintained, our City park offers both sunshine and shade. It is adjacent to the Parkview Senior Center, Joe Meagher Memorial Civic Center and Cut Bank High School football field. The City Park has a permanent covered outdoor

stage that is perfect for larger gatherings and community entertainment and features a state restroom facility developed in conjunction with the Montana Department of Transportation. The park also has a playground area, a roofed picnic area, and picnic tables throughout the park. City Park is well kept and lighted for evening enjoyment.

DOG PARK

The Cut Bank "Bark Park" is located just one minute north of Cut Bank, over the railroad tracks. Over an acre of fenced in space to let the dogs run wild, with a separate entrance and dedicated space for smaller breeds as well. Our dog park features a graveled walking path within its perimeter with benches for a rest along the way. Because did we mention how big our dog park is? Two pavilions offer a shady spot for you to retreat from the sun, until our recently (2023) planted trees provide shade throughout the park.

The walking path, benches, and pavilions are the result of a Livable Communities grant from AARP and community donations.

BUD PARK

Bud Park is located on the north side of the railroad tracks and starts at Central Avenue, extending west to the 6th Ave Northwest crossing.

CENTRAL PARK

Central Park is located at the east corner of Central Avenue and Main Street. The surface of this park is mainly cement and brick with two trees, planters of flowers, a wooden carved bear, benches, garbage receptacles and ceramic painted tiles on the wall.

SOUTHWEST PARK/GARY SMITH MEMORIAL PARK

This large park is located on Second Avenue Southwest and Third Street Southwest. This park contains a playground area, a barbecue area, a wind/rain shelter, picnic tables, benches and a swimming pool. The grounds are well kept with a nice green lawn and huge shade trees throughout the park.
