

Wastewater Treatment Plant Operator Job Listing

The City of Cut Bank, Montana, is looking to hire a full time wastewater treatment plant **operator**. Do you enjoy **working with the public**? Do you have **good customer service skills**? Would you like to **be part of a great community**?

The Wastewater Treatment Plant Operator will operate and maintain the wastewater treatment system. This includes keeping daily records, performing regular maintenance, operating light and medium equipment, and inspection of equipment. The operator responds to sewer service calls, and services and repairs related equipment.

The starting pay is \$23.13 - \$25.35 per hour, depending on experience. Benefits include retirement, health insurance, paid holidays, paid vacation and sick leave. You will also receive a family membership to our Civic Center and Swimming Pool.

If this sounds like the right fit for you, apply today!

ABOUT THE CITY OF CUT BANK

The City of Cut Bank is located just 45 minutes east of Glacier National Park. We are minutes away from world-class hunting, fishing, and hiking. Our city is growing, and we have various businesses including several restaurants, clothing stores, grocery stores, and a brewery. We also have a newly established walking trail, a recently updated dog park, and a city park next to the Cut Bank Creek.
