Building Inspector Yeagley presented his report. Inspector Yeagley had nothing to add to his written report.

Councilperson Fey moved to approve Draws #7 for \$12,671.50 and draw #5, for \$4,195.00, for the water tank project. Councilperson Nygaard seconded.

There was some discussion about when the Draws would be finished. Clerk-Treasurer Burley stated that they were almost done. The discussion also included what we were going to do with the old water tower. Next year we can apply for funding if the City would like to tear it down. There is no reason that we must take it down. We can use it as a reserve source of water. There is no certification to keep water in there. The Verizon antennas are changed over to the new water tower.

A vote was called, and the Motion carried with all in favor.

Councilperson Reynolds made a motion to approve promoting Whitney Bugni to City Attorney. Councilperson Vermulm seconded. All were in favor.

Councilperson Fey made a motion to approve Donni Schultz to Clerk-Treasurer. Councilperson Nygaard seconded it. The issue was then opened to discussion. Councilperson Fey stated that the position should be opened to the public. The Mayor stated that the policy is that the mayor appoints, and the city council approves. Department heads have been promoted from within the department in the past. The Mayor also stated that we do not have the luxury of time because Clerk-Treasurer Burley is retiring at the end of April. She also stated that the council is not involved in the hiring process. Mayor Winchell stated if the council wanted to change the way things are done, then the council must propose a resolution and vote on it so it can become policy.

Councilperson Vermulm stated that they have a responsibility to the citizens to make sure the candidate for a department head is qualified for the position. The council also questioned why this appointment happened so late. They stated that the current City Clerk Treasurer knew for a long time she was retiring. The council stated that they knew nothing of the current candidate's qualifications.

Payroll Clerk Schultz then took the floor and told everyone what her qualifications are. Some of the qualifications she stated are listed below.

- Double Major in Psychology and Social Work.
- Was a Job coach trainer that helped people gain job skills to get quality jobs. While doing this she had to make sure the store ran correctly. She knew every job in the store.
- Was the youngest person to be promoted to Assistant Manager. She was promoted in 3 years where it usually takes ten years plus to get the promotion. Donni brought the store to the company's standards.
- stayed home for 12 years to raise her children. Budgeted personal finances so that her family could live on a single income.
- Was hired at the school. Had 2 weeks training but learned the computer system well so people that had been there a lot longer were asking her how to do stuff.
- Has done an excellent job at payroll for the City. There have not been mistakes with the employees' paychecks. She has also learned many of the clerk/treasurer's responsibilities. She can learn quickly and accurately. Donni has great customer service skills, and work ethic.

City Attorney Bugni will investigate whether we can delay the election to wait for another issue.
