Our regulation sized outdoor swimming pool is a popular summer spot. It features the regular pool, office, showers, and changing rooms totaling 12,480 square feet. We offer swimming lessons and aerobics classes that are open to everyone. We are happy to be the home of the Cut Bank Sharks Swim Team. The Sharks host a successful swim meet every summer at the pool that brings 8 teams to Cut Bank for a weekend of fun competition.

For the younger kids, we have a splash park with many fun features. This is free to use and is perfect for your young children who do not yet know how to swim. Children in the splash park must be accompanied by a parent or adult.
